

## Description

Socket Hyperline SB2-2-8P8C-C6-WH computer double. Electrical data according to UL 1863, AC RMS, 60 Hz/1 min. PCB fiberglass connector, gold-plated phosphor bronze contacts. Dual IDC type module (universal).

## Main characteristics

Type	External
Number of connectors	2
Socket connector type	RJ-45
Grounding	No
Housing material	Plastic
Maximum permissible current	1.5 A
Maximum allowable voltage	150 V
Contact resistance	20 mΩ
Dielectric voltage	1000 V
Backlight	No
Shielding	No
Color	White
Dimensions	71.45 x 64.5 x 25.2mm
